GMS

Run the gym, not the paperwork.

The gym software made for Lebanon: memberships, payments in dollars and lira, QR entry, classes, WhatsApp reminders, and an assistant that tells you who is about to leave.

اشتراكات، دفع بالدولار والليرة، دخول بالـ QR، حصص، وتذكير عالواتساب. كلّو بمكان واحد.

Active	Ending soon	Expired	Frozen
Let them in.	Remind with a smile.	Refused at the door.	End date moves by itself.

QR entry in one second

Dates, visits left, unpaid balance and ladies-only hours checked automatically. No more expired members walking in.

Dollars and lira, Whish and OMT

Each payment at your rate of the day, numbered receipts, and a cash drawer you can count in both currencies.

WhatsApp reminders, ready to send

Renewals, win-backs and class changes prepared for you. One tap sends them from your own WhatsApp.

Know who is about to leave

Learns from your own members, explains why, and drafts a personal message in Arabizi, Arabic, English or French.

Your own member app

Your name and colour, entry QR, class booking with waitlist, programs from coaches. No App Store needed.

Your real profit

Rent, salaries, generator and diesel next to revenue, with coach commissions calculated for you.
